

## Register for IBM cloud

Date	8 November 2022
Team ID	PNT2022TMID03362
Project Name	A Novel Handwritten Digit Recognition System

Team Leader: Santhosh Kumar B

The screenshot shows the IBM Cloud Dashboard for Santhosh Kumar B's account. The top navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account. The main content area is titled "Dashboard" and features a "For you" section with various quick-start guides and tutorials. These include "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Get started with Watson Discovery" (Get up to speed on Watson Discovery with step-by-step tutorials, deep-dive videos, and complete examples of working code), "Smart Document Understanding Demo" (Check out this Smart Document Understanding demo to learn how this powerful feature allows you to visually apply structure to your documents), "Explore IBM Cloud Shell" (Try a command-driven approach for creating, developing, and deploying a web project), "Watson starter kits" (Generate cloud-native apps that get you started with popular Watson cloud services, including Watson Assistant), and "Get Started with" (Install the IBM Cloud developer tools, include the latest CLI, verify the ins and configure the environment). Below the "For you" section, there are four main tiles: "News" (WebSphere Application Server Support Restatement, IBM Adds Lifecycle Services to Enterprise Networking and Deepens Strategic Partnership with Cisco, All About IBM Storage's Price and Supply Guarantee, IBM Tech Now: November 7, 2022), "Recent support cases" (You can view a summary of your support cases here after you submit them. Learn more about how to get support.), "Planned maintenance" (Clear skies! You can view your scheduled maintenance events here.), and "IBM Cloud status" (No issues). At the bottom, there are sections for "Usage" (View usage), "User access" (Manage users), and a "Create resource" button.

Team Member1: Mohamed Irfan P

The screenshot shows the IBM Cloud Dashboard for Mohamed Irfan P's account. The top navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account. The main content area is titled "Dashboard" and features a "For you" section with various quick-start guides and tutorials. These include "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Get started with Watson Discovery" (Get up to speed on Watson Discovery with step-by-step tutorials, deep-dive videos, and complete examples of working code), "Smart Document Understanding Demo" (Check out this Smart Document Understanding demo to learn how this powerful feature allows you to visually apply structure to your documents), "Explore IBM Cloud Shell" (Try a command-driven approach for creating, developing, and deploying a web project), "Watson starter kits" (Generate cloud-native apps that get you started with popular Watson cloud services, including Watson Assistant), and "Get Started with" (Install the IBM Cloud developer tools, include the latest CLI, verify the ins and configure the environment). Below the "For you" section, there are four main tiles: "News" (WebSphere Application Server Support Restatement, IBM Adds Lifecycle Services to Enterprise Networking and Deepens Strategic Partnership with Cisco, All About IBM Storage's Price and Supply Guarantee, IBM Tech Now: November 7, 2022), "Recent support cases" (You can view a summary of your support cases here after you submit them. Learn more about how to get support.), "Planned maintenance" (Clear skies! You can view your scheduled maintenance events here.), and "IBM Cloud status" (No issues). At the bottom, there are sections for "Usage" (View usage), "User access" (Manage users), and a "Create resource" button.

## Team Member2: Manoj Kumar V

The screenshot shows the IBM Cloud Dashboard for user Manoj Kumar V. The interface includes a top navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The main dashboard area is titled "Dashboard" and features a "For you" section with several recommended resources, including "Build", "Get Started with Watson Studio", "Build a web app with Watson Speech to Text", "Get started with Watson Discovery", "Smart Document Understanding Demo", "Explore IBM Cloud Shell", "Watson starter kits", and "Get Started with". Below this, there are sections for "News", "Recent support cases", "Planned maintenance", and "IBM Cloud status". The "News" section lists several articles, including "WebSphere Application Server Support Restatement" and "IBM Adds Lifecycle Services to Enterprise Networking and Deepens Strategic Partnership with Cisco". The "Recent support cases" section shows a summary of support cases. The "Planned maintenance" section displays a calendar view of scheduled events. The "IBM Cloud status" section shows a world map with a "No issues" status. At the bottom, there are sections for "Usage" and "User access".

## Team Member3: Rohitchandran R

The screenshot shows the IBM Cloud Dashboard for user Rohitchandran R. The interface is identical to the one for Manoj Kumar V, featuring the same top navigation bar, "For you" section with recommended resources, "News" section with articles, "Recent support cases", "Planned maintenance", "IBM Cloud status", "Usage", and "User access" sections.
